Sir

Subject: Medical Institutions - Purchase of medicines from approved Ayurvedic Pharmacies - Sanction -- requested.

========

In this office letter B1/9636/44, dated the 19th August 1944, the advisability of purchasing the medicines and raw drugs required for use in the three Municipal dispensaries during the remaining months of the current year was explained and the Government in their order No. MS 2668 P.H., dated the 25th Septr. 1944 were pleased to sanction as a special case the local purchase of medicines and raw drugs from the approved pharmacies.

2. On receipt of a letter L.Dis.16842/PL3/44, dated 28th August 1944, from the Principal, School of Indian Medicines, Madras, permitting the purchase of medicines required for the year 1944-45 from the District Board Central Ayurvedic Pharmacy, Guntur, after obtaining Government sanction, Government were again addressed to accord permission for purchasing the medicines etc. from the said pharmacy, and the Government in their Memo.No. 46471/44-1 P.H., dated the 30th Septr. 1944, expressed no objection to the council purchasing the required medicines from the Guntur Pharmacy.

3. On comparing the rates quoted by the Central Ayurvedic Pharmacy, Guntur, with the rates obtainable at the approved local pharmacies, it is now observed that the rates of the Guntur Pharmacy are considerably higher in almost all cases. The Medical Officers of the three municipal dispensaries have furnished a consolidated indent for medicines required for the rest of the current year the estimated cost of which would be Rs. 1,022- 6- 0 excluding a sum of Rs. 174.9.0 being the cost of certain items of medicines the rates of which are not quoted in the price list of the Central Ayurvedic Pharmacy, Guntur. The cost of the required medicines if purchased from the Guntur Pharmacy would be Rs.1,640-7-0 deducting 10 per cent commission. It may therefore be observed that it would be more favourable and advantageous to purchase the required medicines and raw drugs locally as there will be savings to the extent of Rs.618-1-0 apart from packing and freight charges instead of from the Central Ayurvedic Pharmacy, Guntur. Besides the Guntur Pharmacy has no raw drugs required for use in the Una dispensary.

4. In the circumstances explained above the council may kindly be permitted to make its purchase of medicines and raw drugs required for 1944-45 locally from approved pharmacies.

I also request that the Government Memo No. 46471-44-1 D2 - P.H. dated the 30th Septr. 1944 permitting the purchase from the District Board Central Ayurvedic Pharmacy, Guntur, may kindly be cancelled.

Sir,

Subject: DISPENSARIES - Municipal Dispensaries - Medicines -
Ref:- Your Rc No. 21929/P13/44, D/10th March 1945.

The consolidated indent for medicines was prepared and it was sanctioned by the council in its resolution No.15, dated 19th June 1944.

As it was resolved by the council in its resolution No.17, dated 1st May 1944 to purchase the medicines in the open market at the market rates and as the value of the indent was in excess of Rs.300, the Government was addressed in this office letter B1-9636-44, dated the 19th Aug. 1944 to sanction the purchase of the medicines in the open Market. This was sanctioned by Government in G.O.No.MS 2668 P.H., dated 25.9.1944.

When it was brought to the notice of my predecessor that medicines were not available for purchase in the local market, you were informed of this fact in this office B1/9588, dated 11th August 1944 and in reply you suggested in your L.Dis.16842-P13-44, dated the 28th Aug. 1944 that medicines might be obtained from Central Ayurvedic Pharmacy, Guntur. Accordingly a reference was made to the said Pharmacy and the Government were also addressed in this office B1/9588-44, dated the 16th Septr.1944 to accord sanction for the purchase being made from the Guntur Ayurvedic Pharmacy and in reply the Government were pleased to accord the required sanction in their memo No.46471-44-1-D2, P.H., dated 30th Septr.1944.

The Medical Officers of the dispensaries in this letter dated 14th October 1944 pointed out that medicines were available in 2 of the approved Pharmacies of Mangalore and that the rates quoted by the Guntur Ayurvedic Pharmacy were higher than the market here. So, the Government were requested for a 3rd time in this office letter B1/9588-44 dated the 27th October 1944 to cancel the order to purchase from the Central Ayurvedic Pharmacy, Guntur, and to permit the purchase being made locally from the approved Pharmacies. This was submitted through you and a comparative statement showing the cost of medicines was also

forwarded on 13th January 1945. In view of the above circumstances, quotations for the full supply were not be called for. The matter was also under correspondence.

Medicines have been purchased to the extent of Rs. 651-0-0 for the use of three municipal dispensaries in small lots not exceeding Rs. 50 or 60 at a time, as and when the urgency for the same was expressed by the medical officers. All these purchases are approved by you except the purchase of cocoanut oil, jaggery etc. required for the preparation of medicines and which were not referred to you for sanction.

As for the requirement of medicines for the year 1945-46, the council has resolved in C.R.No. 9, dated the 20th November 1944 - (copy enclosed) to enroll itself as a member of the Provincial Indian Medical Practitioners Co-operative Pharmacy & Stores, Madras. A separate reference has been made to Government in this office letter B1/536-45, dated the 7th March 1945 requesting sanction to dispense with the tenders as required in G.O.No. 2591 P.H., dated the 15th September 1944.
